- This is a detailed topographic map of a residential area in Norway. The map features a grid system with coordinates: N 6634800, E 286000, N 6634400, and E 286200. The terrain is depicted with contour lines, and several water bodies are visible. The map shows a network of roads, including Stølane, Vinkelen, Idrettsvegen, and Leirtdåvane. Numerous buildings are shown, many of which are highlighted in orange, indicating a specific area of interest or a proposed development. A large building complex is shown with dimensions and area measurements, such as 38 922 and 16 739. The map also includes various other features like smaller buildings, structures, and a grid of property boundaries. The overall layout suggests a planning or development project in progress.
