 Farge 3, avklares i detaljfasen

Technical drawing of a modular shelving system. The drawing includes a perspective view on the left and a detailed elevation view on the right. The elevation view shows the following components and dimensions:

- Top Section:** A horizontal shelf with a depth of 600 mm and a height of 24 mm.
- Skuffeseksjon (Drawer Section):** A section with a height of 1100 mm and a width of 1150 mm. It includes a drawer with a height of 100 mm and a width of 600 mm. The drawer has a radius of R=25 mm.
- Skuffemodul 20 stk (Drawer Module 20 pieces):** A module with a height of 1100 mm and a width of 1150 mm. It includes a drawer with a height of 100 mm and a width of 600 mm. The drawer has a radius of R=25 mm.
- Fulltrekk-skinne for treskuff med demping (Full-extension slide for three-drawer with damping):** A slide with a height of 1100 mm and a width of 1150 mm. It includes a drawer with a height of 100 mm and a width of 600 mm. The drawer has a radius of R=25 mm.
- Hyllemodul 19 stk (Shelf Module 19 pieces):** A module with a height of 1100 mm and a width of 1150 mm. It includes a shelf with a height of 100 mm and a width of 600 mm. The shelf has a radius of R=25 mm.
- Boks med sittepute 3 stk (Box with cushion 3 pieces):** A box with a height of 1100 mm and a width of 1150 mm. It includes a cushion with a height of 100 mm and a width of 600 mm. The cushion has a radius of R=25 mm.

Dimensions are given in millimeters (mm). The drawing is labeled with 'A' and 'B' at the bottom.
